

NORTH CAROLINA SCIENCE OLYMPIAD

BUILDING A BRIGHTER FUTURE

When you partner with North Carolina Science Olympiad (NCSO), you show your local community, customers and employees that you are dedicated to building the STEM workforce of the future. Whether you are a small family business or a Fortune 500 company, there are multiple ways your corporation can make an impact on the lives of students interested in STEM. From sponsoring tournaments to volunteering to corporate foundation gifts, NCSO is here to help. Sponsorships provide an opportunity to showcase your corporation's commitment to education, building the economy of the future, and enriching the lives of students.

NCSO seeks organizations and business partners who are passionate about creating a one-of-a-kind experience that inspires students to develop a meaningful connection to STEM degrees and careers in North Carolina. Through the generous support of our outstanding corporate sponsors, NC Science Olympiad has defined itself as a exciting way to engage K-12 students in hands-on science, technology, engineering, and mathematics (STEM) education.

WHY SPONSOR NCSO?

- Create opportunities for students to develop skills around teamwork and problem solving through hands-on STEM events.
- Provide volunteers and mentors with a platform to share their expertise.
- Recognize outstanding academic achievement by students and teachers.
- Encourage underrepresented students to pursue their passion for STEM.
- Build a strong STEM workforce for the future.

INVESTING IN YOUR COMPANY

CREATE A PIPELINE OF INTERNS AND FUTURE EMPLOYEES

ENGAGE YOUR EMPLOYEES IN FUN HANDS-ON VOLUNTEER OPPORTUNITIES

BOOST YOUR COMPANY'S REPUTATION IN THE COMMUNITY

CREATING A LIFELONG PASSION

NCSO elevates academic learning and competition to a level of enthusiasm and support that is normally reserved only for athletics. Once students participate they are challenged, supported, guided and prepared for a lifetime of scientific inquiry.
