

HALLOWEEN

pumpkin carving

Get into the Halloween spirit and carve your own
NCSO inspired pumpkin.

CARVING INSTRUCTIONS

Carve an opening at the bottom of the pumpkin

Clean out the seeds and strings. Scrape out the interior.

Pick your favorite pattern. Apply it to the pumpkin using tape. Fold the edges to make it fit.

Trace out the pattern using a toothpick or other sharp object before cutting.

Saw out the pattern, starting with the smallest items in the center. Carve the outer edges last
